

The NABBA Board of Directors has recently been made aware of numerous condemnatory posts circulating social media. The board takes these allegations seriously and is launching an investigation enlisting the use of neutral third-parties.

As stated earlier, NABBA would like to reaffirm its stance as an organization that embraces all people and furthermore will not tolerate any use of hate speech, bullying, or cyber-bullying.

The newly formed Diversity, Equality, and Inclusion (DEI) Committee is involved and will respond with recommendations as the results of the investigation become clearer. In the interim, all major NABBA decisions are on hold so that the board can focus on these allegations as well as day-to-day operations.

NABBA is an organization dedicated to the promotion and development of British-style brass banding and is committed to inclusive music-making and fellowship for all.

Sincerely,
NABBA Board of Directors
