

**NABBA**  
North American Brass Band Association

## 2023 NABBA Partner Logistical Information

The 2023 North American Brass Band Association Championships will be held **April 21-22, 2023** in Huntsville, Alabama at the Von Braun Center.

The 2022 NABBA Championships in Huntsville were attended by 30 bands from across the United States. This represents roughly 1000 brass and percussion performers. This year we anticipate even more participation. Do not miss this opportunity!

All Partners will be vending in East Hall 2 of the Von Braun Center. This area is strategically located directly between the concert venues and the solo & ensemble venues. This room will allow for instrument play-testing to occur during all contest events without any concern for sound bleeding over to the performance venues.

The East Hall loading dock is on the back side of East Hall 1, located around the back of the arena off of Monroe Street. Drop shipping to the Von Braun Center will be available.

All vendors receive complimentary event credentials, adverts in the NABBA program, adverts on the NABBA app and a presence on the [www.nabba.org](http://www.nabba.org) website.
